

This year we welcome over 200 students to the Residence Halls! Our residents come from various nations around the globe including the US mainland, Hong Kong, Korea, Japan, the Philippines, the US Virgin Islands, and the neighboring islands of the CNMI, FSM (Pohnpei, Yap, Kosrae, and Chuuk), Palau, and the Marshall Islands. We welcomed the new and returning students during our Resident Orientation, the New Student Orientation, and the Welcome Back Wave. We look forward to more exciting and fun activities this semester!

# Residents in Action

This month's community service projects included a campus clean up and revitalizing the UOG sign in front of the Science building. Our student volunteers collected over 10 bags of trash along the university entrance. The boys helped water blast and gave the sign a makeover, all in preparation for the new school year. Thanks to all the residents that volunteered!!

Thank you, Docomo Pacific!

## Jiu-Jitsu

Interested in free training? Check out Director Mark for more info!

- More will be announced!*

### Numbers to Know

- G4S Campus security 888-2456
- PEACE GUAM
- Suicide Crisis Hotline 647-8833
- Guam Police Department 472-8911

### Meet your RA

Kelutel Yoshiwo, more commonly known as Kel, has been a resident assistant for about one year. He is from the island of Palau, and is a senior majoring in Biology. Upon graduation, he would like to gain more experience by finding a job here. Afterwards, he wants to return home to Palau and support his family. In his free time, Kel likes to play baseball and just hanging out with friends.
